SuperRatings Assessment

Australian Retirement Trust is one of Australia's largest superannuation funds following the merger of QSuper and Sunsuper in March 2022. ART-QSuper-Accumulation Account provides for the retirement needs of Queensland Government employees and their families.

The product offers an investment menu comprising 4 Diversified options and 4 Single Sector options. The Balanced option underperformed the relevant SuperRatings Index over all assessed time periods to 30 June 2023.

Fees are competitive and lower than the industry average across all account balances assessed, with the administration fees capped at \$875 pa. Any amount paid in excess of this cap will be refunded to the member in July of the following financial year. The fund does not charge an investment switching fee or a buy-sell spread.

Member are provided with access to a full suite of insurance cover, with eligible members receiving automatic Death, Total & Permanent Disablement (TPD) and Income Protection (IP) covers upon joining the fund. Members may also apply for up to \$3 million of Death cover and up to \$3 million of TPD cover. Default IP covers up to 87.75% of salary up to 2 years with a 90- or 180-day waiting period, depending on the member's employment arrangement; however, benefit period of 5 years or to age 65 are also available, as well as 30- and 60-day waiting periods .

The fund offers high quality educational material, interactive tools and calculators, as well as seminars at no additional cost. Further, the secure Member Online portal allows members to view and update account details, as well as perform transactions, with a mobile app also available.

A "best value for money" superannuation fund. Well balanced across all key assessment criteria in a robust, secure and proven risk framework. The fund provides features that should assist most individuals to meet their retirement savings goals.

You should contact your financial adviser or this fund before making an investment decision.
